A huge thank you to the Edgewood Police Department for the 4,000 candy filled eggs we were able to give students yesterday!

2. Many community members have donated items to the PD to help in combating COVID-19. Tractor Supply donated masks and two community members have brought by hand sanitizer. We have appreciated the support and understanding from the community as we take precautions on our calls.
3. Chief Crow assigned a series of COVID-19 trainings through Police One Academy to ensure that staff is educated on the strain, how to prevent the spread and how to handle calls and reports.
