## Special Events / Investigations / Activities / Department News

1)

The Edgewood Animal Welfare Facility recently received an upgrade to its kennel floors. The old stained floor was cracked and was feared to be harboring bacterial growth. The new floor is slip resistant, seamless and non-toxic for the animals. The main kennel floor as well as all the

individual kennels were redone. Thank you to ACO Mike Ring for spearheading this project.

- 2) The project cost for the floors was approx. \$500 lower than estimated leaving monies in the shelter fund for further upgrades and repairs.
- 3) The Police Department started our volunteer program and currently have one very active volunteer who has logged over 40 hours already. This volunteer is Jan Parks (volunteers at AC as well) and is doing mostly administrative paperwork and handling the phones.
- 4) Backgrounds on the applicants were completed and two names were presented to Council. We will be welcoming Officers Dayton Bell and Zach Sisemore on Monday, March 18<sup>th</sup>, 2019

## **Training / Professional Development / Recognition:**

- 1) All Edgewood Officers completed the NMLEA bi-annual training course for Domestic Violence training.
- 2) The new EPD body cameras have arrived from AXON and will be programmed and issued out in the month of March. We now have redaction software allowing us to fully meet state and federal law.
- 3) Edgewood Police raised \$3143 dollars for New Mexico Special Olympics and EPD could not have done this without the support of the community.
- 4) Edgewood PD is now opening its training room up for local Neighborhood Watch groups to reserve.
- 5) Recognition of Sgt. Lovato and Ofc. Brown for their life saving efforts on February 21<sup>st</sup>, 2019 at Smiths. Both officers performed their duties and relied on their training to save the life of a local resident.
- 6) I have included the public support this event has demonstrated in our community. As with all the comments below there has been countless “kudos” given in person.
