Department News

- 1) Animal Control Officer Mike Ring stepped up in a big way, kudos to him and his tireless effort while being short staffed at the Shelter. Officer Ring and several volunteers worked several weeks straight without a full day off tending to the needs of the animals at our shelter.
- 2) Movie Night showing Aquaman saw about 30 residents come out and brave the windy weather. Ultimately the decision to move it inside was made and we utilized the old Elementary gym
- 3) Water Fun Day was a huge success. Thank you to all the town staff that participate in making this day a memorable one for the East Mountains
- 4) All Officers completed semi-annual Firearms Training as required by NMLEA
- 5) Chief Crow, Sergeant Lovato and Sergeant Urbina all completed updated IPRA Training hosted by the AG's Office
- 6) Edgewood PD was proud to reach out to the local Hemp and Cannabis growers working on a dialog. For years both parties have had an uneasy relationship with each other and now we have a new program introducing the farmers to PD staff and vice-versa. We look forward to a continued relationship where education and understanding are freely exchanged.
