Town of Edgewood Petition Certification April 1, 2020

On March 9, 2020 I approved a petition as to form per NMSA 3-1-5. The petition is for a ballot question to organize the Town of Edgewood under the commission-manager form of government. Per NMSA 3-14-2, the petition must contain at least 15% of the votes cast for the office of mayor at the last regular municipal election. The last mayoral election had a total of 513 votes. This would require a minimum of 77 legal signatures required to be on the petition.

On March 23, 2020 I received the petition containing 179 signatures. After receiving an official current voter registration list from the Santa Fe County Clerk's Office, I purged from the petition 53 signatures. The signatures were purged after examination and found to not be in compliance with NMSA 3-1-5. This brought the total number of valid signatures to 126.

I Juan Torres, Clerk-Treasurer of the Town of Edgewood, do hereby certify that the petition submitted to call for a ballot question to organize the Town of Edgewood under the commission-manager form of government is valid.
