Pre-Investigation Questionnaire

DIRECTIONS:

The Edgewood Police Department has developed a comprehensive and intensive selection process for its applicants. This selection process will consume a great deal of your time as well as expense and effort for our Department. This questionnaire is designed to acquaint you with certain standards which **MAY OR MAY NOT DISQUALIFY YOU AS A CANDIDATE DURING THIS SELECTION PROCESS.** This questionnaire is designed to save you time, money and energy early on in the selection process. Your truthful responses to these questions and the following interview with your Recruiting Officer will help you to evaluate your chances and ability in continuing on in the Selection Process. **Recruiting of all candidates is done without regard to race, color, national origin, ancestry, sex, age, religion or disability, in provision of services, programs or activities. The Town of Edgewood is an Equal Opportunity/Reasonable Accommodation Employer.**

All subjects on this application form may be subject to verification by use of polygraph and an intensive background investigation. Deliberate inaccuracies, incomplete statements, minimizations, rationalizations, omissions, and/or misstatements cannot be made. If they are not, it may result in your disqualification from the selection process or termination from employment if hired.

It is to your advantage to respond honestly and openly to all of the following questions. Any negative factor in your background will be evaluated in terms of circumstances and facts surrounding the occurrence and its degree of relevance to the job. The Edgewood Police Department is looking for mature, honest people who can admit their mistakes and discuss those mistakes honestly. For example, being fired from a job or having an arrest record is not in itself, grounds for disqualifications in many cases. During the interview, your background investigator will inquire into the facts surrounding the event. An evaluation will be made of the relevance of the facts to the requirements and guidelines of the job. **It is your responsibility to be truthful.** A negative factor in your background may not terminate you from the application process, being dishonest about the negative factor will. If you feel some event in your background is indirectly related to your application, even though it is not specifically listed, then disclose it. Save

yourself a great deal of time, money, energy, and effort of continuing on in the process if you know you will lie at any stage of the application process.

You will need to write a short narrative to **FULLY EXPLAIN EACH “YES” ANSWER**. Make sure your writing is clear just as you would in a normal police report. In your narrative, answer to relative questions of Who, What, When, Where, Why, How, How often, etc. as each question requires. Write your narrative in **BLACK INK ONLY**. Again, **IT IS IMPORTANT THAT YOUR ANSWERS BE HONEST AS THE INFORMATION MAY BE VERIFIED BY THE POLYGRAPH AND INTENSIVE BACKGROUND INVESTIGATION**.

Make sure you include sufficient detail in your report that your background investigator can read and fully understand the circumstances, what happened, when and why.

Reference your **DRUG AND SUBSTANCE EXPERIMENTATION**, make sure you list the dates first used. Don't rationalize or minimize the facts. If you can't remember the exact dates, put down the month and year to the best of your ability.

If you need more room to write on any given page, continue writing on the bottom lines of the next page, etc.

When you have completed the questionnaire, return the questionnaire to the Town of Edgewood Clerk/Treasurer located at 1911 Old 66, Edgewood NM, so it may be forwarded to our background investigator. He/she will then contact you and schedule an appointment to review this questionnaire with you. Your background investigator will inform you what the next stage of the selection process will be. Thank you for your time, patience and cooperation in this matter.

It is your responsibility to ask for clarification of any question or word that is not perfectly clear and understandable to you. Unless otherwise stated, each question refers to any time, any reason, any place, anywhere, at any age, in any jurisdiction, in civilian or military life, domestic or abroad or on any military installation, base or Federal land. **IT IS YOUR RESPONSIBILITY TO BE HONEST AND TRUTHFUL.**

Please fill out this form in **BLACK INK ONLY**. It is your responsibility to write clearly and legibly. If we cannot read it, the public will not be able to read your report either. Remember, neatness in writing, grammar, punctuation, spelling, clarity and ability to follow written instructions are all evaluated as part of the selection process.
