**ANNEXATION
510.18 ACRES**

The Council received comments from the public reference annexation of 510.56 acres. There were several residents that questioned why was the town of Edgewood only accepting the properties that the individuals are requesting annexation. Residents felt that this would be a big problem with roads, etc. Residents felt that the Town should follow the Statue that states as long as 51% of the landowners of the territory proposed to be annexed have signed the annexation petition the territory will be annexed. Mayor Pro-Tem Stearley suggested that residents talk to the Mayor about this issue and asked to be placed on the agenda. Karen advised the council that there had been an error in the figures used to come up with 510.56 also one individual that signed the petition has decided he does not want to be annexed. He owns 5 acres. With the error and subtraction of 5 acres the acreage that the council is considering annexing is 510.18 acres. Mr. Ullrich brought up Alta Mae's Bed & Breakfast. Jim Hamilton explained that the fire code is a factor in the insurance rates. At that time the council felt that they would like further information on this matter so that they could formulate regulations on this matter. Resolution 1999-9 calls for a moratorium on all off-premise billboard signs within the corporate limits for a period of 90 days. The council was asked if a worksession would take place on this matter. Karen stated that a worksession would be scheduled for November and hopefully at the December 1 meeting a proposed ordinance would be enacted.
