**Report to the Edgewood Town Council of Actions Taken  
Edgewood Planning and Zoning Commission Meeting  
May 13, 2000 - 10:00 am**

Members Present: Anthony Anaya, Norman Bentzen, Ed Whitworth

Members Absent: Roberta Lane, Karen Mahalick

1. Minutes of the April 22, 2000 meeting were approved as submitted.
2. Agenda for the May 13, 2000 meeting were approved as published.
3. The commission discussed zoning recommendations for the following annexations:

A. 2000-16; 2000-17; 2000-18; 2000-19; 2000-20; 2000-21;  
2000-22; 2000-23; 2000-24

B. **The Planning and Zoning Commission makes the following recommendations to the Town Council for an amendment to the zoning ordinance:**

- 1) 2000-16 R-1
- 2) 2000-17 R-1
- 3) 2000-18 R-1
- 4) 2000-19 R-1
- 5) 2000-20 R-5
- 6) 2000-21 R-1
- 7) 2000-22 R-5
- 8) 2000-23 R-1
- 9) 2000-24 R-1

4. The commission discussed the appropriate zoning of tracts A & B of the Sandia Airpark/Airport. Tracts A & B were annexed into the town and replated as R-1, we believe, in error. Santa Fe County had previously approved a Master Site Plan for tracts A & B as mixed use commercial. The owner of the property has asked the commission to correct the error. After two discussions with the owner, his representative and the Home Owners Association of the Airpark, it was determined that under our current ordinance SU-1 zoning is the appropriate application. Thus the commission makes the following recommendations to the Town Council for an amendment to the zoning ordinance:

**“Recommend that tracts A & B and the runways of Sandia Airpark be zoned SU-1 (for airport and associated airport facilities.)”**

5. Discussion as to the need to post a yellow public notice sign when there is a zoning or subdivision change to an area.

After discussion, the commission makes the following recommendation to the Town Council:

**"Recommend that the zoning ordinance be amended to reflect the administrative requirement for the applicant to post a public notice on the affected property 15 days in advance of the public hearing that would consider zone changes; subdivisions; variances; or conditional uses."**

(The administrative details of this requirement i.e. sign size, color, procurement of sign etc. should be handled by the zoning enforcement officer or staff.)

6. Discussion as to the need to add definitions to the sign ordinance i.e. "face", "pylon."

The item was tabled.

7. Meeting adjourned.

Respectfully submitted,

Norman Bentzen  
Chairman, Planning & Zoning Commission
