| Fines collected | 0 |
| Fees collected | 0 |

Councilor Ring moved to accept the report as presented. Howard Calkins seconded the motion. All voted aye. Motion carried.

PUBLIC HEARINGS:

ZONING MAP P&Z had recommended the NW part of Section 24, Lands of Stan Huston be zoned CB. Discussion ensued as to merits of CB or SU designation. P & Z preferred CB because of commercial sales aspect of Mr. Huston's operation. Staff explained that commercial sales are inherent in any manufacturing or processing operation, therefore the SU-5 designation is appropriate. Also, the SU-5 designation would prevent the expansion of other types of commercial businesses into this part of town without further review. Council approved SU-5 designation. Howard Calkins made motion and Councilor Chemistrick seconded. All voted aye. Motion carried.

**ANNEX:
40 ACRES**

Comments were taken from the public regarding the annexation of 40 acres within Section 16. Councilor Calkins made a motion to accept annexation and Bob Stearley seconded. All voted aye. Motion carried.

REPORTS:

Parks & Rec

Parks & Recreation Chairman, Dennis Milinazzo, reported there would be no summer program this year because of the very short notice from SF county. He feels there was not enough time for the Town to prepare for a safe and quality program for the area children at this time. He assures residents that plans and programs for the next year are already being worked on.

Health Clinic

Chuck Ring reported that the steering committee is still trying to obtain funding for a health clinic.

The Mayor, Chuck Ring and Kelly Moe will travel to Portales June 13, to visit some health care facilities there.

Animal Control

Marina Doerfer was guest speaker. She gave some tips on how to peacefully resolve problems with stray dogs and irresponsible pet owners.

Councilor Stearley presented an ordinance regarding Animal Control used by Town of Estancia, for consideration by the Town of Edgewood. No action was taken on the ordinance at this time.

Roads

Gary Chemistruck reported that on June 8, STIP will meet to plan projects for the next couple of years. Regarding Section 16, Mr. Stearley recommended that part of the cost turning lanes off of State Road 344 be passed on to master developers and contractors. The Mayor plans to meet with Dr. Stowe and Mr. Manning to discuss matters that would be to the best interest and safety of the most important issue-the children. Comment was made that Mike Hoy and his road crew are doing an excellent job despite limited equipment.
