

**TOWN OF EDGEWOOD  
RESOLUTION 2005-07**

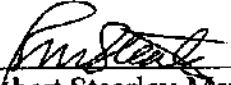

The Town of Edgewood hereby resolves to participate in the Highway 344 & Venus Road widening improvements with the New Mexico State Highway & Transportation Department.

This project will entail roadwork to widen Highway 344 allowing for turning lanes to be established and a reduction in the speed limit to 45 miles per hour.

Whereas Venus road is a public road in the Town of Edgewood, the Council resolves to provide necessary improvements to Venus road east and west should they be needed as a result of the Highway 344 widening design.

The Town of Edgewood supports this necessary improvement to accommodate the safety of all persons traveling this road.

APPROVED, ADOPTED and PASSED this 16th day of February 2005.
