

RESOLUTION NO. 2010-06

**TOWN OF EDGEWOOD
FOR
LEADERSHIP IN COMMUNITY SUSTAINABILITY**

To direct the incentivization and the implementation of the sustainable use of resources and to promote innovative methods for the Town of Edgewood to achieve a reduction of adverse human impacts on the environment.

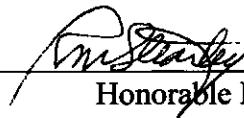

Whereas, the Town of Edgewood by exhibiting leadership in meeting the challenge of efficient use of resources will insure innovative development and promote the health and welfare of the community,

Whereas, the Town of Edgewood will become an example community in the State of New Mexico for the implementation and promotion of clean air, clean water, clean energy and clean economic development through clean business and job creation,

Now Therefore, be it Resolved that the Governing Body of the Town of Edgewood shall,

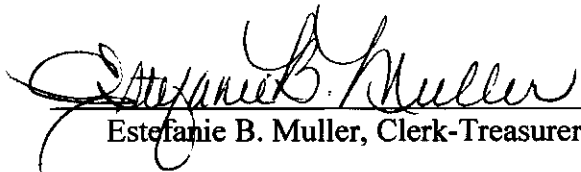

Create a Sustainability Advisory Committee to research sustainable practices, provide education on such issues, and make recommendations to the Town of Edgewood governing body and its staff in the development and implementation of its policies. Said Committee shall be constituted for a period no longer than 18 months from its creation unless such period is expressly extended by Council action.

APPROVED AND ADOPTED this 17th day of February, 2010

Honorable Robert Stearley, Mayor

ATTEST:

Estefanie B. Muller, Clerk-Treasurer
